

## Newport Philatelic Society

### Newsletter Spring Eleventh Release: Number 71 June 2020

#### Introduction:

Dear members, we have got to number eleven of the newsletter! As mentioned previously I have put all previous issues on our website.

<https://newportgwentphilatelic.weebly.com/>

In this edition we start with a very attractive 8 page display on the Summer Isles from our chairman Roy and finish with a short note about our postponed AGM and the officers of the society. In the next issue I will putting different links to different interesting philatelic articles and resources that are available on the internet. Therefore, if anyone has any favourite sources or internet contributions and/or websites that you find useful please send details of them through to me ([les.ashtonsmith@gmail.com](mailto:les.ashtonsmith@gmail.com)) and I will include as many as possible in the next edition. If anyone has completed their single page challenge on a philatelic inspired location then please send it to me as there is always room for new content.

## SUMMER ISLES

The Summer Isles lies in the North-West Highlands of Scotland. The Post Office is situated on the only permanently inhabited island- Tanera Mor. The Post Office shares a building with a shop and a restaurant on the shore at Aird-na-Goine, there are nine other houses on the island with about twenty inhabitants.

The postal service started on 1 September 1970 by the then owner Kenneth Frampton. With the backing of the Royal Mail he agreed to carry stamped and cancelled mail three times a week to the mainland and pick up and distribute mail from the mainland. Following the death of Kenneth Frampton the mail service was suspended between 1989 and 1991. The island and post office was acquired in 1993 by Ronnie Brown and his wife Mairi who continue to improve housing, paths and the postal service on the islands.

### **AGM: Postponment and Election of Officer:**

As you all know we were to have our AGM on the 27<sup>th</sup> of May. In the light of the current situation we cannot hold this important meeting and, therefore, the following decisions have been made:

All of the current officers have agreed to stay in their respective posts until the AGM can be arranged. This will provide continuity for the society until there is an opportunity to safely reconvene and consider any future applications for the posts and to decide on any proposed changes to the society. Any members who would like to be considered for a society post should please make this wish known to the secretary so that it can be included in the agenda for the next general meeting. The current list of officers is as follows:

Chairman and Publicity Officer: Roy Bentley

Vice Chairman and Web Master: Les Ashton-Smith

Secretary: Bev Davies

Treasurer: Margaret Harding

Committee Members: Martyn Britton and Robert Agg

The programme for next year is in an advanced stage of planning and will be released as soon as possible.

The finances of the society are in the capable hands of our treasurer and I will include the financial statement for the year for examination and questions in the next edition of the newsletter.

### **Final Notes:**

Do not forget to reach out and make contact with a fellow society member. The lockdown is slowly easing and hopefully we will back to “normal” society meeting soon. Any mistakes and errors are all down to me, so as before, my genuine apologies for every one of them!

If anyone is receiving the newsletter in error or no longer wishes to receive it please let me know and I will remove you from the circulation list.

Keep safe and well everybody.

Les Ashton-Smith
