

Newport Philatelic Society

Newsletter 21st Release: Number 81 October 2020

Introduction:

Best wishes to all and welcome to the 21st issue of the newsletter. In this issue we have some new contributions from Roy, Lynne and Martyn. Roy is showing us a display of Phillips Airgraphs and Lynne has sent in some of his old and newly acquired Welsh covers. Martyn has included a Free front Chepstow Penny Post cover, I am very jealous as I do not have one of these, so if you see one please let me know.

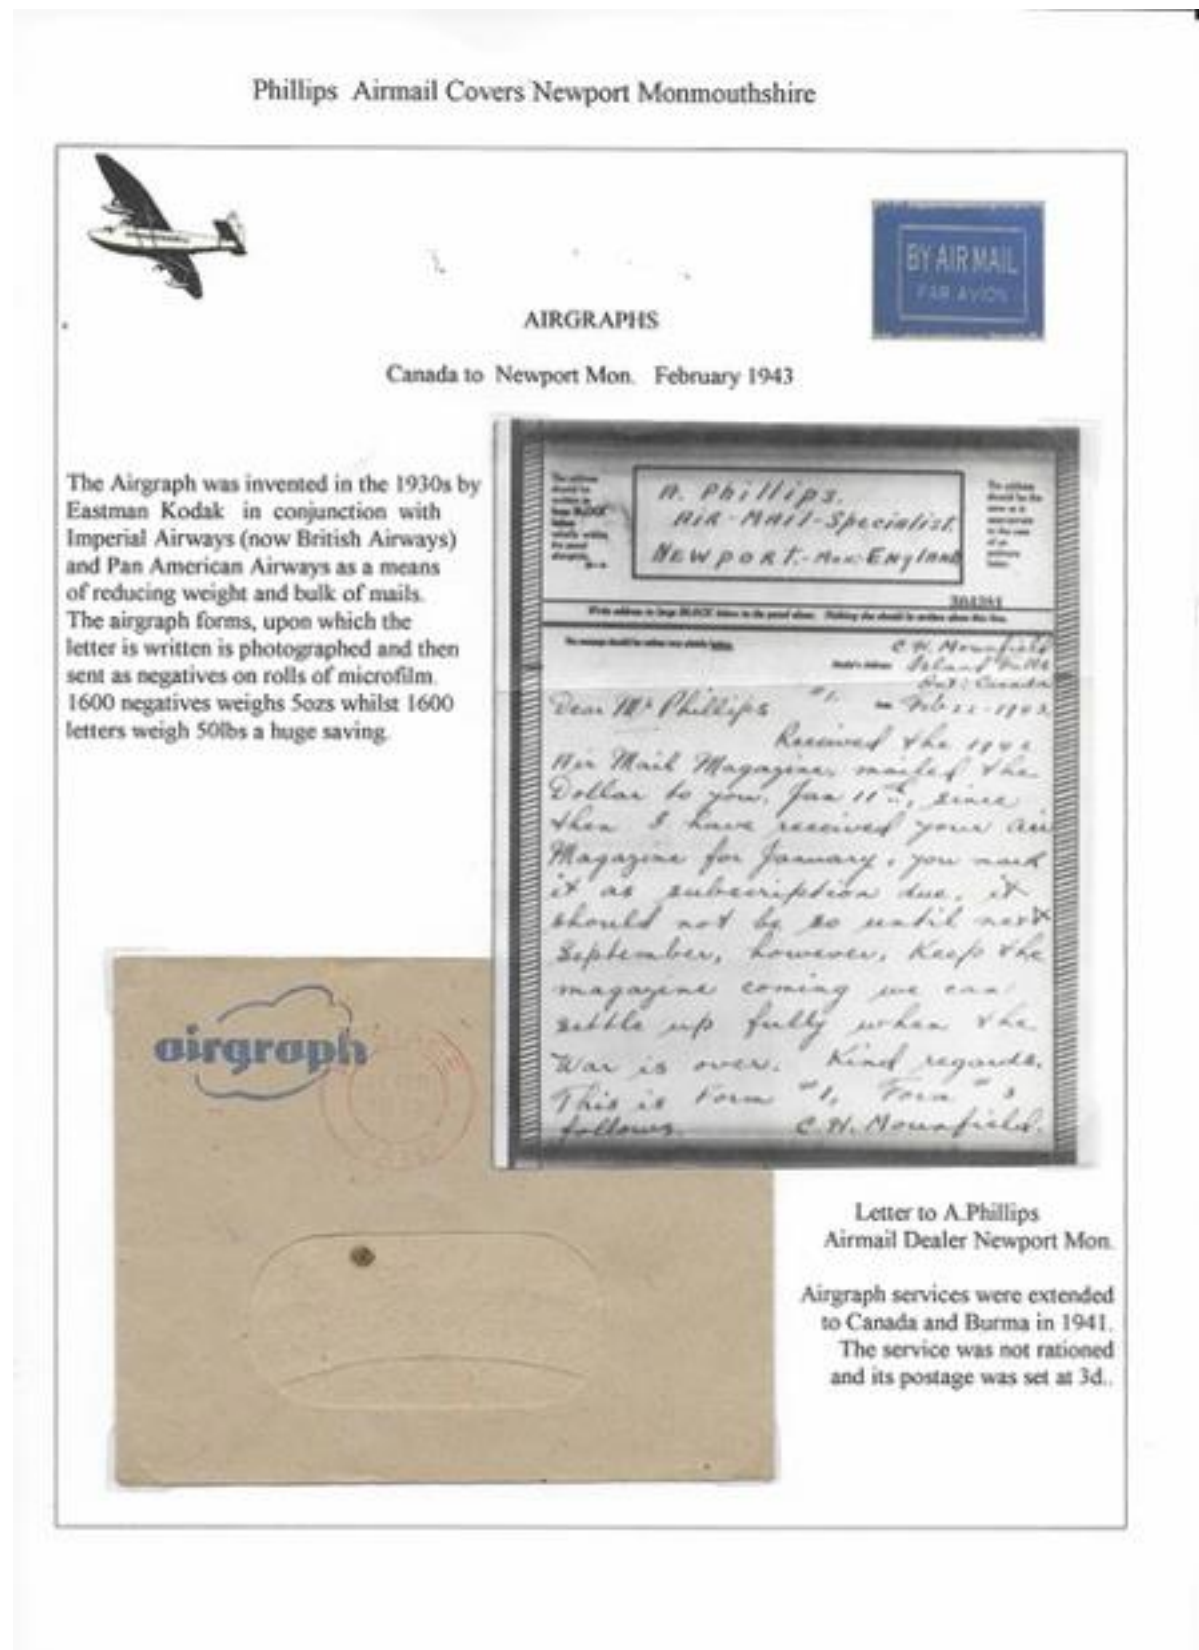

With the extended lockdown now upon many of us and if you are sorting out stamps or buying new items for your collection please think of the newsletter and take a picture and sent it in and I will look to include it in a future issue. Also do not forget if you have any stamp related news or interests to share please pass it on so that I can share it with the wider membership.

We can also use our website for useful links and articles. Our website has now been updated with the older issues of the newsletters.

P.S.

As many of you know I have a small collection of stamps which have "Bristol" printed on them and this is a new addition showing the Bristol Beaufighter which suffered heavy losses in Operation "Black Friday" during WWII.

Bristol stamps (Aircraft)

These miniature sheets are from São Tomé e Príncipe and commemorate "Black Friday". On 9 February 1945, a force of Allied Bristol Beaufighter aircraft suffered many losses during an attack on the German destroyer Z33 and its escorting vessels; the operation was called "Black Friday" by the Allied survivors. The German ships were sheltering in a strong defensive position in Førde Fjord, Norway, forcing the Allied aircraft to attack through massed anti-aircraft fire. The Beaufighters and their escort of Mustang Mk III fighters from 65 Squadron RAF were intercepted by twelve Focke-Wulf Fw 190s of Jagdgeschwader 5 (Fighter Wing 5) of the Luftwaffe. The Allies damaged at least two of the German ships for the loss of seven Beaufighters shot down by flak guns. Two Beaufighters and a Mustang were shot down by the Fw 190s and four or five of the German planes were shot down by the Allied aircraft, including that of German ace Rudi Linz. Cat: 8734/8.
